

Product Safety Recall

Compass Lensatic (Battery Operated)

L460A-B – 9326793030415

Sold at Australian Geographic 2012 to 2018

Defect In some circumstances the battery may fall out when dropped

Hazard If the defect occurs and is swallowed, these batteries can get stuck in a child's throat and burn through the tissue causing severe internal injuries.

What to Do Consumers should immediately stop using the Lensatic Compass and contact their nearest Australian Geographic store to receive a full refund of the purchase price

Contact Details You can contact your nearest Australian geographic store by phoning 02 9095 5500 Mon-Fri 9:00am – 5:00pm, via email at Customercare@coop.com.au or go to <https://shop.australiangeographic.com.au>
